**SENAC SOUTH METROPOLITAN DISTRICT NO. 1  
2022 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Services Provided**

The District was organized by Court Order on December 8, 2005, to provide financing for the design, acquisition, installation, and construction of streets, traffic and safety controls, water, sanitary sewer, parks and recreation, public transportation, mosquito control and security services and related operation and maintenance services within and without the boundaries of the District. The District's service area is located entirely within the City of Aurora (the "City"), in Arapahoe County, Colorado. Under the Service Plan, the District is the Operating District and is related to Senac South Metropolitan District No. 2 (Senac South No. 2) and Senac South Metropolitan District No. 3 (Senac South No. 3) and Senac South Metropolitan District No. 4 (Senac South No. 4), which serve as the Taxing Districts. The Operating District is responsible for management of the construction of all facilities and improvement and for operation and maintenance of all improvements not conveyed to the City. The Taxing Districts provide the funding for infrastructure improvements and the tax base needed to support ongoing operations.

On November 1, 2005, District voters approved authorization to increase property taxes up to \$500,000, annually, without limitation of rate, to pay for the operations and maintenance expenditures of the District. District electors approved revenue indebtedness of \$66,000,000 for the above listed facilities, \$66,000,000 for refunding of debt, \$66,000,000 for multi-fiscal year intergovernmental contracts and \$66,000,000 for reimbursement agreements. The voters also authorized debt of \$8,500,000 for the issuance of mortgages, liens and other encumbrances on District real and personal property and \$40,000,000 for Aurora Regional Improvements. The election also allows the District to retain all revenues without regard to the limitations contained in Article X, Section 20 of the Colorado constitution or any other law. Pursuant to the Service Plan, the total debt of the Districts is limited to \$55,000,000.

As a condition of the Service Plan Approval, the District agreed to enter into an Intergovernmental Agreement with The City of Aurora, Colorado (the "City"), Senac South No. 2, Senac South No. 3 and Senac South No. 4 (Districts 1, 2, 3 and 4 collectively the "Districts"). Under the provisions of this Intergovernmental Agreement the Districts have the responsibility, among other things, to construct certain public improvements set forth in the Service Plan and to impose a mill levy as defined in the Districts' Service Plan as the Aurora Regional Improvements Mill Levy (ARI Mill Levy). None of the Districts' debt service mill levy can exceed 50 mills for any portion of the Districts' debt which exceeds 50% of the Districts' assessed valuation ("mill levy cap").

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

**SENAC SOUTH METROPOLITAN DISTRICT NO. 1  
2022 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Revenues**

**Developer Advances**

The District is in the development stage. Advances are recorded as revenue for budget purposes with an obligation for future repayment when the District is financially able to reimburse others from bond proceeds and other available revenue.

**Property Taxes**

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

**Specific Ownership Taxes**

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 7% of the property taxes collected.

**Net Investment Income**

Interest earned on the District's available funds has been estimated based on an average interest rate of approximately .1%.

**System Development Fees**

The District imposes a System Development Fee in the amount of \$2,500 for each residential unit within the District. The System Development Fee is payable at the time a building permit is issued by the County for a residential unit. The System Development Fee revenue is pledged to the payment of the Bonds. The District does not anticipate any fees to be collected during 2022.

**SENAC SOUTH METROPOLITAN DISTRICT NO. 1  
2022 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Expenditures**

**Administrative and Operating Expenditures**

Administrative and operating expenditures include the estimated services necessary to maintain the District's administrative viability such as legal, accounting, insurance and other administrative expenditures.

**County Treasurer's Fees**

County Treasurer's fees have been computed at 1.50% of property tax collections by Denver County.

**Debt Service**

Principal and interest payments are provided based on the debt amortization schedule from the Series 2021A(3) Bonds (discussed under Debt and Leases).

**Capital Infrastructure**

The District anticipates capital expenditures as noted on the Capital Projects Fund page of the budget. The District will own, operate and maintain all District eligible public improvements within its boundaries that are not dedicated to any other public entity.

**Debt and Leases**

The District anticipates issuing the Bonds on November 4, 2021 in the amount of \$47,884,000. The proceeds from the sale of the Bonds will be used for the purposes of (i) paying a portion of the costs of capital infrastructure improvements or reimbursing the Landowner for the advancement of those costs, to the extent of available proceeds; (ii) paying costs of issuance of the Bonds.

The Bonds are assumed to bear interest at 4.875% per annum and are payable annually on December 1, beginning on December 1, 2021, but only to the extent of available Pledged Revenue. The Bonds mature on December 1, 2051 and are subject to mandatory redemption to the extent of available Pledged Revenue.

The Bonds are structured as cash flow bonds meaning that there are no scheduled payments of principal or interest prior to the maturity date. Unpaid interest on the Bonds compounds annually on December 1. In the event any amounts due and owing on the Bonds remain outstanding on December 2, 2061 (the "Discharge Date"), such amounts shall be extinguished and no longer due and outstanding.

The District no developer advances and has no operating or capital leases.

**SENAC SOUTH METROPOLITAN DISTRICT NO. 1**  
**2022 BUDGET**  
**SUMMARY OF SIGNIFICANT ASSUMPTIONS**  
**Reserves**

**Emergency Reserve**

The District has provided for an Emergency Reserve fund equal to at least 3% of fiscal year spending, as defined under TABOR.

**This information is an integral part of the accompanying budget.**
